THE HON. DR. U. KRISHNA RAO :—" The matter was considered and for administrative reasons it was given up."

SRI P. RAMAMURTHI :—" The Hon. Minister, in his reply, has stated that the policy of the Government is not to extend nationalization of motor transport outside Madras City. In view of the above general policy of the Government, will the Government also consider the question of abolishing nationalization of motor transport in the City and handing it over to private managements? "

THE HON. DR. U. KRISHNA RAO :—" Notice."

SRI R. V. SWAMINATHAN :—" Sir, in the statement, furnishing the amount of profit derived by Government by the City Bus Transport undertaking, placed on the Table of the House, the Government have stated that in 1948–49 they got a profit of Rs. 8,59,296, that in 1949–50 they got a profit of Rs. 1,47,602, and that in 1950–51 they got a profit of Rs. 4,21,937. May I know whether the Hon. Minister has gone into the question of the reasons for the fall in the profits derived by the Government, and whether the Hon. Minister has gone through the Three-Man Committee Report appointed by the previous Government, in this connexion? "

THE HON. DR. U. KRISHNA RAO :—" So far I am aware, the answer is simple. The buses were new in 1947 and therefore we got large profits in that year. In 1951, the buses became old and required lot of repairs. The spare parts were also costly. Therefore the expenditure went up in 1951. That is the only answer I can give. I have studied the report of the Three-Man Committee. If the hon. Member puts any specific question I will answer it."

MR. SPEAKER :—" When the programme of business is announced to-morrow, the hon. Member will be in a position to know whether there is a non-official day or not."
